Dear Mr. Sisk:

This is in response to your letter of 15 August 1977 requesting information involving any MKULTRA programs in California.

The Agency, in light of the recent revelations concerning MKULTRA, has received a considerable volume of similar requests. Every effort is being made to handle these inquiries as expeditiously as possible. We have referred your inquiry to the appropriate office but hope you will understand if there is some delay in our response.

We appreciate your personal interest in this matter.

Sincerely,
