15 April 1977

MEMORANDUM FOR THE DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: NRP-Related Questions

Attached for your information are answers to two of the three questions you asked subsequent to the NRP briefing to President Carter. Question three, dealing with assigning a percentage of tasking of each satellite for Unified and Specified Commanders, is a complex issue which directly involves the NFIB requirements structure and organizations other than the NRO. A discussion of this issue will be forwarded in the very near future.

If you require any additional information on questions one and two, or the NRO in general, please don't hesitate to call.
