

NATIONAL SECURITY COUNCIL

WASHINGTON

January 27, 1948

Dear Mr. Dulles:

I wish to express the appreciation of the National Security Council for your willingness to serve as Chairman of the survey group which we discussed last week.

Mr. Mathias F. Correa has also agreed to serve on the group but the third member, Mr. William H. Jackson, has not yet definitely indicated his availability.

As soon as we hear from Mr. Jackson I will communicate with you about further arrangements.

With best personal regards.

Sincerely yours,

SIDNEY W. SOUERS
