

OFFICE OF THE DEPUTY DIRECTOR

NOTE FOR THE DIRECTOR

25X1

You should be aware that on Tuesday, 2 November, OMB Director Shultz instructed Jim Frey of OMB to levy requirements on CIA on behalf of Mr. Finch. Since these duplicated requirements which we had already received directly from Finch, and since Finch had been in direct touch with General Cushman, I urged [redacted] to get OMB to back off. Frey reported back that Shultz insisted that CIA furnish OMB with duplicate copies of all intelligence given to Finch. [redacted]

[redacted] In view of Mr. Shultz's insistence, Bill Colby and General Cushman agreed Tuesday night that Shultz's request should be met.
