ACTION MEMORANDUM

OFFICE OF THE DIRECTOR

Action Memorandum No. 152Date 16 January 1963

TO : Deputy Director/Plans
 INFO : Deputy Director/Intelligence
 SUBJECT : Record of Communist-directed Subversion from Cuba

REFERENCE:

1. The Director wants prepared a complete dossier of proven actions by the Communists using Cuba as a base to subvert or overthrow Latin American governments. He wants specific details on all types of Cuban-directed subversive activities including documentary proof of specific instructions issued, details on the export of arms, etc. He excludes propaganda statements such as the Havana broadcasts because he is interested in the type of material that can be used to keep the OAS in line and convince the United Nations of Cuban subversive aggression.

2. In this connection the Director wishes to raise this matter with the forthcoming Chiefs of Station meeting which WFI will hold the latter part of this month.

3. It is understood that the DD/I has already started to pull together material on this subject as a result of a request from Mr. Kestow at State. DD/P and DD/I will jointly agree as to who will prepare the final paper, while the principal responsibility for collecting the material will rest with DD/P.

4. It is suggested that a deadline of 18 January be used for an initial draft of the paper. Please keep this office advised of the progress.
