## OFFICE OF THE DIRECTOR

Action Memorandum No. A-10

Date 10 May 1962

TO : Chief, TAsk Force W  
VIA Deputy Director (Plans)  
SUBJECT : Report on Cuban Armed Forces

### REFERENCE:

1. The Director in reviewing the attached has indicated that he would like this condensed and sanitized for more general use, with a classification of Secret.
2. The DDCI indicates that you should maintain a current order of battle on Cuba with the ability to brief orally as required. (This suggests that you might wish to have a portable map of Cuba with the order of battle on an acetate overlay so that you could brief in the Director's Conference Room, at the White House, etc.)
