SUBJECT : Physical Exams for Senior Agency Officials

REFERENCE:

I have received your list of the last physical exams for the members of the senior staff and I am reassured to note that most of them have had a full physical exam within the last year. However, inasmuch as this group is the one under the utmost stress, I believe that the Agency should insist on an annual physical, or more often if the Medical Staff believes it appropriate, and should advise the Director's office if for any reason an annual physical is not accomplished. I note that the following have not had the full physical in the last year:

- |                      |                     |
|----------------------|---------------------|
| John A. Bross        | Donald Chamberlain  |
| John K. Vance        | Joseph Becker       |
| <input type="text"/> | Robert L. Bannerman |
| James Angleton       |                     |

Please insure that these physicals are accomplished at the earliest possible date and keep this office advised.
