SUBJECT : Career Programming for Mid Careerists

REFERENCE:

Part of the premise in our organizing the Agency Mid Career Course was that this Course forms the ~~core~~ core of a mid career training program which GS-13's would receive. The Agency's Mid Career Course is now in its third running which means that 90 mid careerists have been through it. I am concerned that none of these 90 receive the impression that the only mid career training they are going to receive is the Agency's course. Therefore I wish the system developed so that within 30 days of the completion of the Agency Mid Career Course each individual who has been through it will have his mid career training program discussed with him with opportunity for comment. Further, I wish to be advised by the Directorates when this has been accomplished.
