MEMORANDUM FOR: Executive Officer, ICS

SUBJECT: Weekly Activities Report - USIB/IHC

I. NEW ITEMS

25X1 A. Washington Area Imagery Transmission System. Prepared follow-up action correspondence relating to the Washington Area Imagery Transmission System for implementing the DCI memo of 4 April to ASD(I). Also prepared correspondence for DCI for internal CIA implementation of DCI decision on this issue. Action Office: IHC, [] Plans/ [] 25X1

25X1 B. Project SAFE. Prepared reply for D/DCI/IC to ASD(I) on SAFE in reply to [] memo. Action Office: IHC, [] 25X1

25X1 C. Proposed ORD R&D Program. Met with CIA/ORD action officers on proposed ORD R&D program in computer-related areas (intelligence terminals, automated analytical methodologies, and presentational means.) IHC requested to assist in bringing together appropriate community personnel to discuss and coordinate direction of program to insure most efficient use of resources to solve CIA problems as well as those of the community without duplication. Action Office: IHC, [] 25X1

D. Community Bibliographic Files. Worked on staffing replies to two incoming letters on community bibliographic files -- one from ASD(I) and the other from DIA. Coordinating one with PRD, IHC action on the other. Action Office: [] 25X1

II. ON-GOING ACTIVITIES

A. Operator Tests. Arranged for installation of first CONTEXT terminal in 7C35. Check-out in progress by NSA and CIA/DOMCA personnel. Estimate initial operator tests sometime week of 14 April. Action office: IHC, [] 25X1

B. WWMCSS Briefing. Arranged for WWMCSS briefing for D/DCI/IC at 1500 Friday 18 April. Action Office: IHC, [] 25X1

C. CONTEXT Move. Completed move of [] Crisis Facility and associated special communications lines and terminals earmarked for CONTEXT. Action Office: PRD [] IHC/ []

25X1

25X1

D. IHC Meeting. Initiated Staff action in preparation for IHC meeting early May on issues of community bibliographic files, computer graphics, Washington Area Imagery Dissemination planning, and community work in micrographics. These represent ongoing action items requiring early attention by community. Action Office: IHC Staff.

E. Intelligent Terminals. Attended initial meeting of the Intelligent Terminal Working Group of the IRAC R&D Council on Friday April 4 as IC Staff representative. First meeting was informational with DARPA briefing on their ongoing and planned work. Initial draft of terms of reference circulated. Action Office: IHC/ []

III. STUDIES - none

IV. STAFF ACTIVITIES - none

V. MAJOR MILESTONES - none.
