MEMORANDUM FOR THE RECORD

Morning Meeting of 27 July 1967

The Director was at the Pentagon. The DDCI is on leave. Executive Director was in the chair.

X1 [Redacted]

ADD/I called attention to a letter from General Wheeler setting 21 August as the date for a review of the State-Defense Study Group paper on the Middle East. He will have an analysis ready for the Director prior to that date. He also noted that we will be receiving a letter from Julius Holmes asking for further economic analysis in connection with the Study Group report.

[Redacted]

Godfrey gave the A-DD/P a memorandum on the Latin American Organization of Solidarity conference.

Kent reported a call from McGeorge Bundy asking for an Estimate three weeks hence on the situation in and the prospects for the UAR government. This has been laid on.

[Redacted]

DD/S noted that a recent review of our emergency plans had stood in good stead [Redacted]

Warner reported that the briefing for Senator Baker yesterday went well and noted that the Senator now would like a similar briefing on the Soviet ABM program. He will check this out with DD/S&T.
