## MEMORANDUM FOR THE RECORD

Morning Meeting of 4 May 1967

DDCI was in the chair. The Director was on the Hill.

DD/I passed around a snapshot of a model constructed by NPIC of a large pad at [REDACTED]

DD/I noted that the weekly [REDACTED] report thoroughly examined information on the introduction of SSM's into North Vietnam and is still generally negative in conclusion. There was a general discussion of the pros and cons of the USSR's giving Hanoi the SS-3 missile and of the various possible methods of shipment.

Lehman for Godfrey noted developments in the Khe Son area. (See Action 1)

Kent noted that an interdepartmental OB meeting will be starting in Saigon on Monday.

DD/I called attention to the coverage in the Vietnam Sitrep of the air battle near the Chinese border. (See Action 2)

Kent alerted the DDCI to the possibility that the Navy representative of USIB might offer modifications to the Estimate on South Africa.

DD/S called attention to an item in this morning's Washington Post concerning relations between the Agency and the Woodrow Wilson School of International Affairs at Princeton University. It was decided that Kent will telephone Dr. Strayer to ascertain the facts. Kent also suggested that the matter might be further considered when the ONE consultants convene at Princeton next week.

Carver briefed the DDCI on a meeting at the Treasury Department yesterday. He said that the Director has been informed.
