11 April 1967

MEMORANDUM FOR THE RECORD

Morning Meeting of 11 April 1967

The Director noted that Senator Baker breakfasted at Headquarters this morning.

DD/I reported that Air Force One now has an ETA of 0945 EST Montevideo. He briefed the Director on the latest information concerning security measures at the airport.

Lehman for Godfrey noted two overnight reports detailing comments by the North Vietnamese Foreign Minister to Eastern European journalists.

The Director reminded the group that intelligence related to the security of the President when outside the country is a direct Agency responsibility. He emphasized that this is a serious matter to which all hands should pay strict attention.

Kent said that Montague has been tapped for jury duty. The Director considered that this is a citizen's responsibility.

DD/S briefed the Director on an FBI report concerning planned demonstrations at the University of Wisconsin during an Agency recruiting session.

Chamberlain for A-DD/S&T briefed the Director on the characteristics of COSMOS 154, which was launched last Saturday.

The Director noted that he will meet with Chamberlain's panel tomorrow afternoon and made arrangements to confer with him in the morning. DDCI mentioned that he will lunch with the panel today.

In reply to a question Warner said that Bob Michaels will be coming to Headquarters tomorrow.

Executive Director reported that the Bureau of the Budget has raised the problem of clearances for Secretary Rusk's panel to examine funding for private organizations. He said that, while all but four of the members had Agency clearances at one time or another, he had replied that clearances in this case do not appear to be an Agency responsibility. The Director agreed.

DDCI passed the DD/I a report on naval operations in Vietnam.
