Chief, DO

GACarver

STAT      Attached is a resume prepared by [ ]  
[ ] the gentleman we were discussing over  
the phone this morning (20 September). As I  
indicated, he will be in town on Monday and  
Tuesday (23 and 24 September). He is having  
lunch with Sid Gottlieb on the 23rd and has some  
business appointments here and in the Pentagon.  
I am sure, however, that he would be willing to  
try to juggle his schedule to see you or your  
people. Even if full-time employment does not  
appear in the cards, you may find [ ] a very  
STAT      useful person to have on the string. He already  
has a TS and a variety of special clearances.
