Office of the Director  
of Central Intelligence

TO: The Director

25X1 Attached for your information are two memoranda for the record by [redacted] -- one on his 23 May meeting with the Secretary of the Treasury and one on his 27 May meeting with the new Assistant Secretary of State for Economic Affairs. I think you will find both of them of interest for their substantive content and for what they implicitly say about the way Bob is proceeding about getting himself in business. I consider his approach and touch to be just what the situation requires.
