President Harold Dodds
Princeton University
Princeton, New Jersey

Dear President Dodds:

I was greatly honored to receive your letter of January 23rd inviting me to participate in the discussion on Alumni Day, under the chairmanship of Arthur Krock, of the subject: "If We Are Losing the Psychological War, Why?" Unfortunately, I shall be out of the country on that date and will therefore be unable to accept your invitation.

Although I am now living and working in Washington, I still have a house in Princeton and return there on week-ends from time to time. Perhaps on one of these occasions I may have the privilege of calling on you.

With best personal regards,

Very sincerely,
