Dear General Walters:

The documentary film on the KAPPA 74 politico-military simulation in which you participated has been completed. The film is classified SECRET/NOFORN and is 30 minutes in length. The first half covers the conduct of the exercise, while the second half is devoted primarily to the panel discussion you held with Mr. Abramowitz, Admiral Gayler, and Mr. Vest.

The inclusion of the panel discussion resulted in a delay in completing the film, but it proved to be a very worthwhile addition that provides a more current assessment of the exercise results.

The film is available for use by interested individuals or activities in the Central Intelligence Agency. Since any viewings could best be arranged through your office, I have not made separate contact with any other officials. I would, however, request that notification of the film's availability be passed on to the other KAPPA 74 participants in the Agency -- Mr. Bush and Mr. Carver.

JCS review(s) completed.

Any requests for presentation or loan of the film
can be made through our Project Officer, Lieutenant
Colonel Thomas V. Borlund, USA, OX 7-9892.

Sincerely,

A handwritten signature in dark ink, appearing to read 'R. H. Gormley', with a stylized, flowing script.
