Mr. Frederick Winant, NSRB (tel) - Requested appointment with Director in order that he might discuss CIA/NSRB working relations. Will call on Director tomorrow morning at 9:30.

Mr. T. Babbitt, ORE (tel) - Re conversation with Admiral Souers, NSC, Director asked if ORE could get out paper on joint estimate of Russian intentions in order that Director might present it to NSC two weeks from this Thursday (20 January). Mr. Babbitt believes that the paper can be completed in that time; Director stated that he was not setting a deadline but would like to have it if possible.

Re request from ECA for information to be used in connection with Budget Hearings before Congress, Director informed Mr. Babbitt that the paper was coming over and that ECA desired a great deal of information by the end of January. Mr. Babbitt stated that ORE would try to get it out.

Col. Robert J. Wood, OSD (tel) - Informed Director that S/D desired a copy of the sixty-day estimate (in connection with Eberstadt report) in case he might be called upon to answer some question in Armed Services Committee hearing. Director told Col. Wood that Mr. Vincent of the Committee had stated that there would be no publicity about the report; however, Director will forward reports to S/D and recommends that if he is called upon to give any information he request the hearing go into Executive Session since any publicity on the subject would be harmful to all intelligence agencies. Col. Wood will so recommend.

Mr. T. Babbitt, ORE (tel) - Re sixty-day estimate (Russian intentions). Director requested copy for S/D. (Mr. B. forwarded three papers, covering the report, which Director sent by hand to Col. Wood.)

Lunch at desk.

25X1 [] ORE (tel) - Re addition of S/Treasury to NSC, [] 25X1 asked if S/Treasury should get copies of ORE papers and on instruction of Director was told to give him only the CIA world situation report and such other papers as Director requested for all NSC members.

Mr. P. Childs, ICAPS - Re Dulles' Report.

Mr. T. Babbitt, ORE - Director gave him request from JCS (Lt Gen H. R. Harmon) for action (CIA 23134).

Mr. W. Pforzheimer, Genl Counsel - Director gave him authority to handle negotiations on the Senate Armed Services Committee proposal that CIA legislation, as presently drafted, be dropped and that one paragraph substantially in the form of para. 7(b) of current draft, authorizing general expenditures without regard to law and the use of unvouchered funds, be substituted.

25X1

Mrs. Leary, Secy to Dr. Karl T. Compton, RDB (tel) - Suggested 11 o'clock, 25 February, for appointment with Dr. Compton and Lt Col Edwin Black, OSD. Appointment confirmed for that time in Director's office.

[REDACTED]

25X1

[REDACTED] ORE (tel) - CIA world situation report will be delivered by noon today, and [REDACTED] asked if he could make delivery to other recipients. He was informed that the copies for NSC members should be delivered today and the other copies should not be delivered until the afternoon of the NSC meeting (tomorrow).

25X1

25X1

Re [REDACTED] query as to a standard deadline for delivery of NSC copies of the report in Director's office, he was informed that if the copies arrived in the Director's office on the Wednesday afternoon preceding the meeting this would be satisfactory, but they should be delivered not later than the close of business on that Wednesday.

Re ICAPS memo on Service intelligence agencies' desire that this report be coordinated with them, ORE is endeavoring to find a way to accomplish this without having the information too old.

25X1

25X1

[REDACTED] applicant sent to CIA by [REDACTED] was tested early in November and later was interviewed by several people. On 8 December 1948, she received a letter to the effect that CIA had nothing available for her at that time but would keep her application in a current file. [REDACTED] asked if this were a routine letter which meant that there was no hope of future employment, perhaps to cover up the fact that she had not been successful in her test, or if her application actually was in an active file. After check with personnel people, he was informed that presently there was nothing available in the grade for which she was qualified but that her application was in an active file. However, he was told that it was not possible to forecast when a vacancy might occur. [REDACTED] is sending to Director papers on So. America.

Mr. W. Pforzheimer, Genl Counsel - Mr. Walter of the House Judiciary Committee objected in the Rules Committee to the inclusion of the alien provision in CIA Bill and requested that the Committee grant unlimited debate on the bill; the Committee took no action, and proponents of the bill took the matter to the Speaker who stated there would be a closed rule, limiting debate. Mr. Pforzheimer talked with Cong. McCormack who stated he had ordered the CIA Bill for consideration on Monday, 7 March, under a suspension of the rules of the House.

While at the House Armed Services Committee, Mr. P. talked with a representative of the Columbia Broadcasting Company regarding the alien provision of CIA Bill for use of Edward R. Merrill in his broadcast.

Mr. P. talked to Cong. McCormack at request of Mr. Dawson, Chairman of the House Expenditures Committee re the Eberstadt Report and its security. Mr. McCormack requested stated report should be tightly held and that Mr. Dawson should request Director to appear before the Committee in executive session to explain necessity for security. Mr. P. suggested to Mr. Dawson that he read the copy of the Report which the Speaker had and, if for any reason he then wished to ask the Director any questions, the Director should be requested to appear.
