M EMORANDUM	Felz-	<u> </u>
TO:		
FROM:		
I quote	below as paragraph from a personal	
letter I have just	received from	STAT
	dated January 30th, 1952.	
which I think will	interest you because it is very	
encouraging:		
"I have	been following the work of your	
society, and am su	re that much good will come of it.	
I wonder if you kn	ow that it is one of the few under-	
takings in the Uni	ted States which seems really to	

have found a sympathetic and uncynical response on the part of our Arab friends."
