He said this was the same thing he was referring to. CIA will appear one week and DIA the next. [] said that DIA has approved Kaufman for SI and TK but that George Krumbhaar, Minority Counsel, was sent forms about ten months ago and has never returned them. He said both Kaufman and Krumbhaar were told last year that they had to have these clearances in order to sit in on the briefings. [] said he will be taking some analysts up this week or next to talk to Kaufman to get a better feel for what is required at the briefing. I told him I would pass this on to []
