MEMORANDUM FOR: Chief, Coordination Staff, IC  
SUBJECT : Sensitive Issues and Allegations Papers  
REFERENCE : Detailees to White House and Other Government Agencies

*Jack:*

1. You recall at our last Task Force meeting, questions were raised regarding the detailees to GMAIC and why no provision was made for other USIB committees. The Office of Personnel has responded that all the other committees of USIB exist within the Headquarters environment whereas traditionally up to four positions have been detailed to the GMAIC Secretariat outside of the Langley complex, namely, the Pentagon. The GMAIC Committee is the only committee that Personnel is aware of where such a situation exists.

2. It was further agreed that we would make note on the paper for Mr. Colby reinforcing the position that the detailees from the Agency to other organizations were involved in intelligence or intelligence-related activities and not used to supplement the manpower of the receiving organization in performing its fundamental mission.

3. An additional question was raised as to the number of detailees into CIA from other government organizations. The total at the moment is 179; 99 being non-reimbursable, the remaining 80 on a reimbursable basis. Specific breakdown is attached.
