MEMORANDUM FOR:

FROM:

Executive Officer/DDA

25X1A

I called the gal in your office and gave her some quotes on [redacted] that relate to further justification. I am forwarding copies of the actual memos for your information. (Also attached is the DDO statement on [redacted] which was included in a package submitted to the Director.) I don't have a deadline for providing this material but since [redacted] note is dated 17 May, I would assume it should be done promptly particularly in view of the fact that almost all other items relating to civilian annuitants have been submitted to the DDCI and/or DCI. In our overall report to the DCI I have made note of the fact that justification for [redacted] is being provided separately to the DDCI.

Jack -

I suggest we undertake
the promised study of
the 57 amendments
(para h.) + ask DDO
for justification on
[redacted] people (para e-f)
since Hawk has doubts.

25X1A

Also we'll need to
get justification for the
ones in Attachment
B which are questioned
by DCS [redacted]
