1. The Inspector General has a case under consideration involving CSRS retiree travel benefits which relate to our earlier proposal on this subject. SSA/DDS has had a number of queries on this subject in recent months from prospective CSRS retirees who would be affected. Accordingly, I am submitting an amended proposal requesting your approval of the same retiree and death travel benefits as are now provided to CIARDS participants to certain retirees under the CSRS.

2. I am attaching my earlier memorandum on this subject as well as an earlier estimate of the costs involved.

3. Finally, I am attaching a tabulation of a number of items relating to employment and benefits for CIARDS participants as contrasted with those Agency employees under the CSRS and the rest of government outside of the Intelligence Community.
