e. The method of submitting the commo budget for 1951 and 1952 was discussed briefly but it was the consensus of those present that this aspect of the program could be deferred at this time. It was agreed, however, that in the absence of further organizational changes, the commo budget would be reviewed by the joint OPC/OSO Communications Board.

3. The question of whether the Communications Division could be made responsible for the routing of cables to OPC was deferred and will be taken up separately by Mr. [redacted] 25X1A9a
