AIR INTELLIGENCE INFORMATION REPORT 50X1-HUM
Trage * 5 of 11 * Pages
Point Apr 2. Militar and
Point #35-2: Wilitary Barracks: same as Point #35-1.
Point #36: Artillery Emplacement: located in old temple (watch tower) in Ssuri- Shan Park; constructed of stone; and used as a temporary site for public display purposes on special occasions, such as Liberation Day; size and type of weapons unknown.
Point #37-1: Army Security Unit Barracks: 4 one-story, wooden buildings with hipped roofs; personnel strength unknown.
Point #37-2-3: Army Security Unit Barracks: each point contained one lastory, brick building, with gable roof; personfiel strength unknown.
Point #38-1: (Refer to Incl. 2 of ?) Army Signal Unit: 3 one-story, brick buildings, each approximately 20 meters long and ? meters wide; Source observed an antenna array located in this area. In the shetch are several times marked "A", "B" and "C"; Source stated each of these was in greater number than shown in his sketch.
Point #38-2: (Refer to Incl. 3 of 7) Army Signal Unit: newly constructed area, 100 meters long, 70 meters wide, bounded on the south and west by a brick wall. Personnel stationed here were formerly from the area described in Point #38-1 (unknown whether entire unit was transferred here). The following describes points in the area.
A. Two-story, brick building, 60 meters long, 8 meters wide, with tile hipped roof.
B. Three-story, brick building, 10 meters long, 10 meters wide, with 2 wings (each 2-story) 20 meters long, 8 meters wide, with tile hipped roofs.
C. One-story, brick building, 40 meters long, 3 meters wide, with tile gable reof.
D. Same as building "A" (above).
E. (Refer to Incl. 4 of 7) An antenna array consisting of wires strung in a crisscross pattern, approximately 8 meters above ground, between 4 masts (height and interval between masts unknown). On top of each mast was a metal wheel with wire spokes, standing in an upright position. No lead-in wires were observed extending to any of the buildings. Points "A" are in greater number than shown in the sketch.
Point #39: Provincial Headquarters, Democratic Youth League
Point #40: Military Recreation Area: open area 200 meters long, 100 meters wide, containing various gym equipment.
