COPY 1 OF 2

June 28, 1957

Subject: CONTRACT SC-56

Dear Doug:

25X1A

We have goofed in respect to the attached payroll information on [redacted] by failing to forward it to you at the time it should have been sent. Since the June 15th date is long past for the \$60.00 item, we are sending him a check for this, so you may ignore any reference to this interim amount in the attached authorization. I will appreciate very much your getting your people at the Detachment location advised with respect to [redacted] regular 4-week pay of \$80.00 in order that he will be on their payroll and will be paid on the next 4-week pay date, which is approximately July 13, 1957.

25X1A

Thanks in advance for helping me out of this situation.

Yours very truly,

Hal
