MEMORANDUM FOR: Chief, OXCART Branch, OSA
                      Chief, IDEALIST Branch, OSA

SUBJECT: Message Routing of Mission Operational
                      Messages

    1.   In order to assure rapid and secure handling of operational traffic of missions in progress, the following procedure is requested:

       a.   All OXCART/IDEALIST inbound traffic will include REALM/RECITAL as a part of the message slug identifier for mission under way.

       b.   The soft copy of the message will be handed to the duty controller in the Control Center, Operations Division, OSA, at the earliest opportunity.

       c.   Seven hard copies will be produced and delivered by the Signal Center to the ADMIN Section, Operations Division, OSA, for distribution as required. If distribution to staff agencies other than Operations is required, the ADMIN Section will request additional copies and initiate such distribution.

    2.   Request you initiate necessary actions to insure that all messages pertaining to an actual operational mission under way contain the REALM/RECITAL message slug.
