

OSA 1160-62
5 September 1962

MEMORANDUM FOR: Chief, Americas Division, OC
SUBJECT : Emergency Communications Contingency
Planning

25X6
25X6
25X1A

1. It is possible that this Staff may require radio communications from [redacted] or [redacted] to a base radio station within the continental United States, with traffic relay to OPCEN. This requirement may arise as a result of an emergency situation and would probably not be required for more than a ten-day period.

25X1A
25X1A

2. It is requested that the Office of Communications be prepared to provide one, one-time-pad proficient, CT/R in the [redacted] equipped with a complete radio station including signal plans, crystals, and one-time pads. The base station for this signal plan should be advised to forward all traffic received on this signal plan to [redacted] and the base ends of these pads should be forwarded to OPCEN.

25X1A

3. This Staff should be able to provide four hours notice to the assigned CT/R and we will arrange for air transportation of this individual to the area of interest.

[redacted]
Chief, Communications Staff,
OSA-DD/R
