Dear Pete:

Attached is a cable listing three documents generated by CIA which we have identified as important to our work in Columbia dealing with terrorism and counter-terrorism. The information contained in these documents pertains to targeting of members of the Geodetic Survey Team by the ELW terrorist group, one of our incidents.

We would appreciate the release of these documents and the mailing of them to our Panama office in care of Henry Avalos. If you have any question, please call Mr. DiGiorgio at (202)275-5857.

Sincerely yours,
