Mr. George Calhoun
Chief, Special Litigation Section
Criminal Division
Department of Justice
Washington, D.C. 20530

Dear George:

As I mentioned during our telephone conversation yesterday, we have come across a Drug Enforcement Agency document in our files which appears to be relevant to questions asked by Senate Foreign Relations Committee Legal Counsel Mike Glennon in connection with the Subcommittee on International Operations' investigation of foreign intelligence activities in the U.S. Glennon is asking whether there is any information on illegal activities concerning drugs or prostitution by officers or employees of the Iranian government in the U.S. The document in question is DEA 22068 of August 1978. Please consider this to be a formal referral of this matter to you in accordance with the understanding on the Third Agency Rule reached earlier this year at the Senate-House conference on the State Department Authorization bill. Please let me know what you decide to do about the document.

Sincerely,
