Journal - Office of Legislative Counsel ~~CONFIDENTIAL~~ Page 4  
Wednesday - 1 November 1978

25X1 17. [redacted] LIAISON I called the office  
of Representative Bill Gradison (R., Ohio) and spoke with  
25X1 Mr. Andy Garvey about the Congressman's recent letter to  
Mr. Frederick P. Hitz indicating that the Agency had made  
no response to written requests for information by [redacted] 25X1

[redacted] After explaining to Mr. Garvey that we are unable  
to locate a written request and that there is a package of  
material relating to the subject of UFOs that we regularly  
send out to requesters (at a cost of \$11.80 for copying  
charges), Mr. Garvey asked that I put all this in a letter  
to Mr. Gradison and they in turn would send a copy to  
25X1 [redacted] so that [redacted] could make direct contact  
with the Agency. We agreed that this would be the best  
way to handle the inquiry.

25X1 18. [redacted] FAA ALERT I alerted the  
following of the [redacted] Bill  
Miller, Senate Select Committee on Intelligence staff; Jim  
Fellenbaum, Senate Appropriations Committee staff; Norvill  
Jones, Senate Foreign Relations Committee staff; Tom Latimer,  
House Permanent Select Committee on Intelligence staff; Chuck  
Snodgrass, House Appropriations Defense Subcommittee staff;  
and Jack Brady, House International Relations Committee staff.  
(See Memorandum for the Record.) 25X1

25X1 19. [redacted] LIAISON In a conversation with  
Sam Hoskinson, NSC staff, I learned that Chairman Birch Bayh  
(D., Ind.), Senate Select Committee on Intelligence, had made  
a commitment to meet with Senator George McGovern (D., S. Dak.)  
to assert that jurisdiction of the intelligence aspects of his  
SAVAK inquiry resides in the Senate Select Committee. This  
commitment was precipitated by a meeting between Robert Lipshutz,  
Counsel to the President, and Chairman Bayh today.

25X1 20. [redacted] LIAISON Called Joseph  
Frumkin, on the staff of Senator H. John Heinz III (R., Pa.)  
and confirmed the narrow parameters that the Agency will  
respond to the GAO letter to the Agency inquiring as to the  
extent to which research is conducted on the Soviet Union. GAO  
is conducting the inquiry at the request of Senator Heinz. NFAC  
is preparing the response. (See Memorandum For the Record dated  
21 October 1978.)
