SUBJECT : Fraser Subcommittee Request for
Briefing on North Korean
Subversive Activities

REFERENCE : OLC 78-1670/1, 24 April 1978

1. Reference and the letter attached from the House International Relations Committee, Subcommittee on International Organizations, requests a briefing from both the Agency and the FBI on North Korean subversive activities, particularly in South Korea, Japan and the United States.

2. We agree with the Office of Legislative Counsel that the U.S. portion of this request should be handled by the FBI. The initial questions, which OLC lists, are appropriate in that Chairman Fraser asks for a briefing in either formal or informal closed sessions to the members as well as the staff.

3. Depending on the classification and sensitivity level of the briefing, we have to address the question of whether the Subcommittee staff participation should be limited to the designated staff members in accordance with the new Memorandum of Understanding. Your recommendation is solicited as to who would present the briefing; that is, whether it would be done by an EA Division officer or the DDO/ADDO with material prepared by the Branch in collaboration with the CI Staff.
