Honorable Clement J. Zablocki, Chairman
Committee on International Relations
House of Representatives
Washington, D.C. 20515

Dear Mr. Chairman:

I just wanted to assure you that I have very much in mind your letter of 29 November concerning your interest in providing the public with information concerning the measurement of U.S. arms sales to less developed countries in terms comparable to those of the Soviet Union.

Our respective staffs have consulted further on this matter in light of the methodology involved and we are hopeful that we can come up with a product responsive to your needs.

Yours sincerely,

/s/ Stansfield Turner
