MEMORANDUM FOR: Admiral Turner
Director of Central Intelligence

STATINTL FROM :
Position Management Officer/Office of Personnel

SUBJECT : Potential Resignation from C.I.A., Reasons Therefore,
and Request for Interview

1. Your recent invitation to employees to express their concerns about the Agency directly to you has prompted this paper. Lack of policy direction and questionable integrity in our position classification and position management programs are problems which trouble me. I believe that those programs are necessary, need reinforcement and are worthy of your review with intent to assure their effectiveness.

2. I am making efforts to find employment elsewhere in the Government. There is reason to believe that these efforts may culminate in the near future and that I may be leaving C.I.A. by mid-summer.

3. The attachment to this memorandum provides only an outline of the matters which trouble me. An opportunity to discuss this paper with you, or Mr. Knoche will be greatly appreciated. I am located in the Office of Personnel, Position Management and Compensation Division, extension
