STATINTL

- o Called regarding a "Restored
leave" request case [REDACTED]
that the country returned and
approved 40 hrs restoration.
[REDACTED] says that the
case was not properly
documented and the leave
involved actually amounted
to 120 hrs. She wants
to forward a revised request.
- o I told her that I'd
pull over copy of the
case record & get back in
touch with her -
