**MEMORANDUM FOR:** Deputy Director for Support

**SUBJECT** : Civil Service Commission Letter Concerning Investigations

25X1A9a

1. In response to your request of 5 November 1968, we have considered [redacted] memorandum concerning subject letter and whether changes should be made in our Personal History Statement.

25X1A9a

2. I favor the change suggested in paragraph 3(a) of [redacted] memorandum, that the phrase "will be investigated" be replaced by "may be investigated" in Section XXVI of the Personal History Statement. I believe this will bring us satisfactorily into compliance with the Civil Service Commission directive.
