1. Tientsin Soviet Consul-General Kurdiukov recently received a directive from the Soviet Government requesting him to prepare for the repatriation of all Soviet citizens between the ages of 17 and 35 in Tientsin and vicinity. The repatriation is to take place in March 1947. Since the receipt of the directive several lengthy discussions have been held in the Consulate regarding problems anticipated in carrying out this mission.
2. Any announcement or enforcement of a repatriation program is expected to be met with disapproval and to instigate a wholesale renunciation of Soviet citizenship. Some renunciation has already begun as a result of the arrest of several Soviet citizens by Chinese authorities on charges of collaboration with the Japanese.
