CENTRAL INTELLIGENCE GROUP
INTELLIGENCE REPORT

COUNTRY French Indo China

DATE:

SUBJECT Uranium Deposits in Annam

INFO. 1946

25X1A6a

DIST. 20 February 1947

ORIGIN

25X1X6

PAGES 1

SUPPLEMENT

In Bangkok, has reported the following: In Paris last year, Madame Curie told members of the Viet Nam Delegation appearing before the French Assembly that Annam was rich in uranium deposits. Viet Nam leaders in Bangkok claim that this is one reason France is determined to maintain control over the area.
