SUPPLEMENT

The following cable was sent in early October to CTAL leader Vicente Lombardo Toledano by Secretary Tarasov of the Central Council of Soviet Trade Unions in Moscow:

"Supplementing our conversation in Prague, you promised to send your proposals about the establishment of closer ties between the workers' unions of the U.S.S.R. and Latin America. We have not yet received them. The Central Council of Soviet Trade Unions has information that the unions of Chile want to send a delegation to the U.S.S.R. I request that you send us your opinion about the possibility of organizing an exchange of delegates among the unions of Latin American countries and the U.S.S.R."
