RE : Issuance of Delivery Orders  
for the City of Berlin

The chief of garrison and military commander of the Russian Sector  
of Berlin wrote me on 23 inst. the following:

- a) The heads of departments of the Central Administration are in the future to designate only the Berlin Hq. as the consignee for materials assigned to the Russian Sector of Berlin by the distribution plan.
- b) Provincial governments are to issue delivery orders for material going to the city of Berlin according to the distribution plan only to firms which can present a certificate from the Central Hq. of the Russian Sector of Berlin.

I draw special attention to point b) which says that the state governments are to issue delivery orders for Berlin only to such firms as are authorized by the Central Hq. for the Russian Sector of Berlin.

To avoid mistakes I beg you to observe that this order from the Central Hq. does not affect deliveries from the reserve of the Central Administration of Industry to certain central customers who are located partly in Berlin.

Skrzypczynski
