CENTRAL INTE

The post of chairman of the Military Supreme Court, previously held by 50X1-HUM a Soviet officer, was taken over by Windyslaw Czarrowski, former District Judge at Rzeszow, who was known "Sanacja" leader before the war.

IGENCE AGENCY

Ronvald Klonov, former District Administration Officer of the Lyow 50X1-HUM district, also a member of the "Sannoja" before the sar.

<u>Note:</u> "Sanacja" was the ruling political group in Foland up to 1939, led by the late Marshal Pilsudski and continued by his successors after his death. It is worth noting that the more important posts in the judicature today are held not only by ^Communists and Coviet officers, but also by some ex-"Sanacja" adherents, who have note a complete volteface in becoming Communist followers.

When dealing with political cases, all judiciary of the first instance is carried out by the regional military courts and Military Prosecutors' offices. A very careful selection has been made from enong judges and prosecutors, and all persons who appeared to be in the slightest degree uncertain or not sufficiently loyal have been replaced by Communist elements.
