[redacted]

[redacted] agreement with the Soviet authorities for mutual aid and the exchange of Chinese Communist commodities for Soviet arms.

2.11) The important points of this agreement are:

- a. The amount of arms that the Soviet Government will give to the Chinese Communists is to be based on the amount of material goods (details unknown) that the Chinese Communists can ship to the USSR.
 - b. Within six months after the effective date (effective date not stated) of the agreement, the Chinese Communists shall turn over 1,600,000 men to the Comintern (sic), which will send them to Siberia for training.
- Comment: Presumably "Comintern" refers to Soviet authorities.
Should the Chinese Communists be unable to fulfill this quota within the specified time, the original agreement shall be considered null and void.
