2. In exchange for these materials and military supplies, certain cereals and other goods left Wonsan for the USSR during the same period. The type and tonnage of these shipments is unknown.

25X1A

Comment. The shipments listed above include only those personally observed by the source and do not represent the total shipments from Vladivostok to Wonsan from 1 January 1948 through 30 June 1948. The source was unable to determine whether the goods were to be turned over to the government of North Korea or if they were intended, in part, for the Soviet army in North Korea.)
