1. Twenty Communists from China have arrived in Malang and are now living with the Communists in the Chinese section of the town.
2. Communists in the northern areas of Parakan are living off the population, who, even before the Communists arrived, were suffering from a shortage of food.
3. In the vicinity of Bandoeng, a Markas Pertahanan Rakjat Repoeblik Indonesia (MPRRI) has been set up under the leadership of a small number of Tentara Nasional Indonesia men, who were formerly members of the 26 Battalion of the Siliwangi Division. This MPRRI supports Moeso and has spread rumors that General Soedirman is under the command of Alimin.
