SUPPLEMENT REPORT NO.

1. The Communist Party of Spain (CPS) in Argentina has ordered its leaders in the interior of the country to organize Comisiones de Ayuda a la Democracia Espanola (Committees for Aid to the Spanish Democracy), the main purpose of which will be the collection of funds for the CPS. Although the committees are to be directed by CPS members or trusted sympathizers, their activities are to include all Spanish Republicans and other elements which are opposed to the Franco regime.
2. A CPS leader from Buenos Aires (believed to be either Jose de la Fuente or Luis de la Fuente) recently travelled to Santa Fe to aid in the establishment of an aid committee in that area. Its current headquarters are located at Calle San Jeronimo 2066, which is also the address of the Centro Republicano Hispano Americano. Manuel Delicado () has also been traveling in the interior of Argentina for the purpose of issuing instructions to local leaders for the formation of such committees.
