SUPPLEMENT TO REPORT NO.

1. Until the present time the formerly Italian areas, newly incorporated in Yugoslavia, namely the Slovenian coast and Istra, had been administered by Slovenia, or Croatia. According to a new decree of the Central Government, these areas have been separated from their former administration and are now directly under the Central Government in Belgrade. General Holjevac has been named "liaison minister" for these areas in the Central Government. This measure is reported to have been taken because of "prevalent dissatisfaction" in these areas.

This document is hereby segregated to CONFIDENTIAL in accordance with the letter of 13 October 1973 from the Director of Central Intelligence to the Architect of the United States.
