12 January 1949

- Over 4,000 well-armed guerrillas are concentrated at Tjikampek. Several hundred infiltrants around Batavia have gone to Tjikampek to act as reserves.
- Tan Malaka's and Muso's Communists have joined with the Moslem fanatics and the regular Tentara Nasional Indonesia(TNI) against the Dutch.
- The Dutch have not launched a mounted attack because mobile equipment is not effective in teak forests. Their only alternative is to carry out a large scale offensive, which would require all of the Dutch 2nd infantry brigade.

14 January 1949

- Between 20 December and 9 January the regrouped TNI and the Lasjkar launched seven attacks on Jogjakarta. The last attack on 9 January was the heaviest. The Dutch used heavy machine guns and artillery fire to repulse them.
