SUPPLEMENT TO REPORT NO.

CIA LIBRARY

25X1X6

Information has been received from sources close to the Argentine Embassy in Lima and the Peruvian Foreign Office that the Argentine and Peruvian governments have drawn up an agreement for prior mutual consultation before either government takes action "of an international character" on the South American continent. In spite of the apparent ideological affinity of the two governments, however, no further political collaboration is reported to have been agreed upon for the moment. These sources believe that no economic agreements have yet been signed between the two governments.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
