SUPPLEMENT REPORT NO.

1. Upon receiving the cable of protest from the Greek Section of the Union Internationale Contre le Racisme in Athens, regarding the refusal of the Greek Ministry to issue passports to its representatives, the International Committee in Paris sent a cabled complaint to both Prime Minister Sophoulis and Minister of Foreign Affairs Tsaldaris.
2. As a result of this pressure, three service passports were issued to Dionysios Benetatos, T. Nikolaidis, and D. Dervos, who will go to Paris. These three men have stated confidentially that they are going to Paris not only for the meeting "Contre le Racisme" but also to be present at the COMISCO Convention to be held at The Hague where they will protest the COMISCO decision regarding SK-ELD.
3. They believe that through their efforts, and with the aid of the French and the Italian representatives who do not sympathize with SK-ELD, they will win their fight.
4. Benetatos is also considering attending the meeting for a United Europe to be held in London.
