SUPPLEMENT TO REPORT NO.

1. The China Democratic League (CDL) in Singapore has received directives ordering an increase in activities. It is too early to notice any such increase in CDL activities but the organization is being closely watched by local authorities.
2. The directives were sent from Canton; however the CDL headquarters has recently moved to Nanking. \*

Comment. [redacted] reported the transfer of CDL headquarters to Peiping from Hong Kong, a move which has been indicated by other evidence for some time. It is possible that the directives to Singapore could have come from Canton, although [redacted] indicated the continuation of control for South-east Asia from the "rear echelon" in Hong Kong.
