9. EM  
Mostly of the 1925 and 1926 classes; 80 percent Czechs and 20 percent Slovaks. Strength of the regiment: About 45 officers, 150 NCOs and 900 EM.

10. Comment

a. The report confirms the 1st Engr Regt in TEREZIN until June 1949.

b. The data concerning organization, quarters and equipment substantially corresponds with previous information. [redacted] the report listed a replacement company, an air raid protection company, and a repair shop company as units of the regiment. Such companies have not been observed with other engineer regiments.
